“Working hard to increase independence and self-sufficiency for the Deaf, and bringing communities together through communication, access, and education.”

Are you a recent graduate who feels like you need more support as you start working in the field? Did COVID-19 impact your ability to learn ASL over the last few years? Did you get a degree but are now doing something else and want to get back into the field? Are you looking for a steady income while you are paid to develop your skills? This may be the opportunity for you!

The Bridge Program Residency is a 10-month, paid opportunity to grow your skills in a supported environment. This is a temporary, full-time position while you focus on growing your skills through mentorship and training. We are currently seeking applicants for the next cycle. Please fill out the application or apply online at www.the-league.org/deaflink/.

Our interpreting services have been serving the region for decades, and DeafLink is the first and only agency in the area that offers a full range of services for Deaf and Hard of Hearing individuals. Our professional staff is committed to top-notch service to provide you with accessibility when and where you need it. Last year we had over 10,500 hours of interpreting for consumers, schools, businesses, city public addresses and events. We can provide temporary and long-term interpreting.

DeafLink provides case coordination and advocacy for individuals who are Deaf or Hard of Hearing. We help break down barriers that impact everyday life such as housing, employment, communication, access, and education.

DeafLink offers a variety of other services to assist you:

- On-Site Sign Language Interpreting
- Community Education / In-service Training
- Video Remote Interpreting (VRI)
- ASL Classes
- Information & Referral
- Public Videophone (VP)
- Professional Development Training for Interpreters.

Going the Extra Mile

Our services go above and beyond meeting your needs for sign language interpreting services. In addition to the availability of certified and highly qualified interpreters, we also provide:

- Interpreter screening, training, and monitoring to assist health care organizations comply with Joint Commission standards.
- A large pool of interpreters who can cover assignments whenever a scheduled interpreter is unavailable.
- Fast response to emergency interpreting needs through video remote interpreting (VRI) or on site interpreting.
